

League of United Latin American Citizens
63rd Annual
California State Convention & Exposition
May 21st, 22nd & 23, 2010
Double Tree Hotel . The City Drive . Orange, California

The League of United Latin American Citizens – L.U.L.A.C., is a volunteer organization encouraging community involvement, particularly in the areas of civil rights, education, health issues, the environment and participation in the political process. L.U.L.A.C. continues to strive for the enhancement of the community as a whole.

Orange County L.U.L.A.C. District I is hosting the 63rd Annual California State Convention & Exposition May 21st, 22nd and 23rd, 2010. The Convention & Exposition will be held at the Doubletree Hotel in Orange, CA. Orange County is the home of the World Champion Angels, Anaheim Duck Champions, and world renowned Disneyland. One of the first L.U.L.A.C. Councils established in the Great State of California, the Santa Ana Council #147, established in 1946 is still active today. Included in the Convention & Exposition will be the gathering of L.U.L.A.C. Councils throughout the State of California conducting L.U.L.A.C. business, a Youth and Young Adult Collegiate Leadership Institute, Women's L.U.L.A.C. Commission Luncheon, and a L.U.L.A.C. Presidential Banquet. There will also be an exposition open to the public of local businesses, colleges, universities and community organizations. Workshops will be of interest to our Youth, Young Adults, Senior Citizens and our Community as a whole.

California L.U.L.A.C. has been serving the community for over 65 years. Prior to the establishment of the State level of L.U.L.A.C., there were 10 individual L.U.L.A.C. Councils located in the LA, Orange and Riverside counties. When the 1st State L.U.L.A.C. convention was held, these councils came together to form the premier Latino organization it is today. L.U.L.A.C. continues to strive for quality and higher education, equal rights, promotion of our citizenship, cultural awareness, voter registration and participation in the political process; programs and services that enhance and develop the self determination of our Community. We proudly continue this legacy today through providing scholarships, educational information and leadership development programs.

We encourage your participation and support of L.U.L.A.C.'s goals and invite you to participate in this premier event with us for the enhancement of our *Youth, – Senior Citizens (Ancianos) and the family*, America's future is in fostering responsible, educated, contributing citizens through self determination.
